The background of the page features a green-tinted photograph of industrial control components. In the upper left, there is a close-up of a control knob with a circular top marked with 'A', 'B', and 'C' and arrows. Below it, a hexagonal nut is visible. In the lower right, another control knob is shown, mounted on a larger, more complex valve body with various ports and a threaded section.

Cualquier importe que supere dicha cantidad y que DICSA se vea obligada a soportar ya sea por decisión judicial, arbitral o similar, será repetida a la compradora hasta lograr indemnidad.
