

**Description and application:** Industrial hose manufactured on a mandrel for the delivery of abrasive materials in wet conditions. Suitable shotcrete (gunite), and mortar. Engineered for excellent performance and extended service life.

**Composition:** Inner tube: Black conductive NR rubber highly resistant to abrasion  
Reinforcement: High tenacity textile  
Cover: Special black rubber, anti-static, resistant to abrasion and atmospheric agents.

**Working temperature:** -40 °C +85 °C

**Safety factor:** 2.5:1
