

Delivery 6 bar abrasives

SILOTRUCK

1/1

Description and application: Industrial hose manufactured on a mandrel for the delivery of low pressure of food grade abrasive powders or granules, such as flour, sugar and cereals.

Composition: Inner tube: White natural rubber (NR), FDA approved for food grade applications.
Reinforcement: High tenacity textile, copper braid for electrostatic discharge
Cover: Special black rubber resistant to abrasion and atmospheric agents.

Working temperature: -40 °C +85 °C

Safety factor: 3:1
